ABOUT PACIFIC CHEERLEADERS LIMITED

What It Means To Be A Pacific Cheerleader

Pacific cheerleaders are self motivated in all aspect of life. Our athletes have personal drive. They work hard and achieve their goals. Pacific cheerleaders have a positive attitude, are team players and are upstanding role models.

Mission

Pacific Cheerleaders Limited strives to help each athlete achieve their goals and reach their potential as a cheerleader and as an individual. Our athletes will learn life skills such as teamwork, responsibility, goal setting, self confidence, trust in their self and others, and leadership. Our goal is to create champions in and out of the gym!

Staff

At Pacific Cheerleaders Limited all of our coaches are trained to follow the USASF rules and regulations and are taught how to safely coach the skills required for each level before they ever step into coaching that level team or class. All coaches working with school teams are also trained under AACCA, which specializes in school cheerleading programs and safety. Pacific coaches are required to be first aid certified as well as sports injury certified, which means they will know how to asses injuries as well as how to deal with them.

Our staff work to share their love and passion for cheerleading with others. Anyone can teach someone the skills, but it takes some with real enthusiasm to be an amazing coach and to pass on the excitement and pure enjoyment of cheerleading.

Our staff maintains an open and a professional relationship with all athletes and parents. All administrative staff and coaches are approachable and available to discuss any problems or concerns. We are here for you!
